Coast360 boosts Yutu recovery efforts with \$10K in supplies

Maite, Guam – January 16, 2019 – As part of our commitment to stewardship, Coast360 Federal Credit Union donated \$10,000 in supplies to assist with the Super Typhoon Yutu reconstruction efforts in the CNMI. In partnership with the Haya Foundation, wheelbarrows, headlamps, gardening supplies, and more, have been prepared for shipping and will depart Guam for the CNMI within the next week.

For Gener Deliquina, Chief Executive Officer of Coast360, supporting the CNMI is paramount to Coast360's mission and the *'people helping people'* philosophy on which credit unions were established. "We are hopeful," Deliquina says "that these donations will support the environments and communities of our neighboring islands in ways that will help them not only rebuild and recover, but thrive."
