1. Angelita P. Mendiola

Si Yu'us Ma'ase to you, our members, for the opportunity to have served a three year term as one of Coast360's Board of Directors!

We the board, management and staff continue to strive to provide excellent services. In working as a team along with you, we were able to achieve a positive growth on our financial status and navigate the curves and bumps that the pandemic brought upon us. The pandemic continues to bring tough challenges. If anything, it has fueled all of us, to work even closer together to protect our beloved Coast360 and provide greater and more creative services and products.

I obtained my Master's Degree in School Administration in 1975 from the University of Guam. I served as a school principal, assistant principal, teacher, guidance counselor, and special education consultant. I retired from the Department of Education in 1989.

After my retirement, I joined my husband in the operation of several businesses in the CNMI (general merchandise store, construction, business consulting, party favor store, etc.) which gives me a clear understanding of the struggles of the truly "small" businesses. I am currently serving as the Vice Chair of the Southern Guam Soil and Water Conservation District and was also Treasurer for the same. I also served as Secretary and Treasurer of the Farmers' Cooperative Association of Guam (FCAG) as well as a board member for the Port Authority of Guam.

I am happy to be a parishioner of Blessed Diego church in Tumon. The pandemic and my recent medical surgery limited my liturgical services with the church, for now. As a proud farmer, I continue to maintain our family fruit farm in Inarajan after the passing of my husband, Diego D. Mendiola in 2018.

My late husband and I are blessed with three children: Pearlita, †Sean, Diego II, and our grandson Sean Diego. I personally believe that the greatest things happen when we DO more, DO better and, DO it all with love in our heart!

Sen Mas,

Si Angelita Paulino Mendiola (Auntie Angie)

2. Raymond F.Y. Blas

As a current Board Member of the Coast360 FCU Family, it has been a privilege and a pleasure to serve our Membership. My reason for wanting to serve as a member of the Board have remained unchanged – to continue to enrich the lives of our Members and our island community. What has changed is my increased passion dedication, and commitment to growing our Membership and contributing to improving our delivery services to our members.

I am currently employed as a Special Assistant, under the Guam State Clearing House, charged with oversight of U.S. Department of Interior grant awards and projects. My previous employment history is comprised of over 20 years of government service in various administrator, directorship, and Chief of Staff capacities.

I am a 1970 graduate of the Father Duenas Memorial High School and participant in U.S. Navy Apprenticeship Program (High Voltage Electrician 1970-73)

My volunteer activities in our local community include being an active member of various non-profit organizations. As the Vice-Chairman for the Ministry for the Homeless board under the Archdiocese of Agana, we provide support and meal services to the homeless.

My work career started after my high school graduation in 1972 I joined the US Army with the 101st Airborne Division and was honorably discharged in 1978. In 1979 I joined IBM Corporation as an Account Customer Engineer until my retirement in 2003. I accepted a brief assignment as the Deputy Director of the Department of Parks and Recreation for the Government of Guam from 2017-2019. I am now enjoying retirement life.

I pledge my full support to the executive team in building a sustainable credit union for our membership and island community!
