**Loss of Promotional Offers:** If your credit card account is 60 days past due, you may not qualify for promotional credit card offers.

Over Limit Feature: In order to activate this feature, you will have to agree to this service. No Over Limit Fee will be imposed unless you have agreed to such a service.

Payment Allocation: Payments are allocated to posted balances. If your account has balances with different APRs, we will allocate the amount of your payment equal to the Total Minimum Payment Due to the lowest APR balances first. Payment amounts in excess of your Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights are provided in your account agreement.
