#### Use of the Services

Following receipt of our notification approving your use of the Services, you are authorized by us to remotely deposit paper checks we receive to your account with us (the "Account") by electronically transmitting a digital image of the paper checks to us for deposit. Your use of the Services constitutes your acceptance of the terms and conditions of this Disclosure and Agreement. You agree to comply with the hardware and software requirements set forth by us. (Android 4 or higher, iPhone 5 or higher, iOS 8.4 or higher). Upon receipt of the digital image, we will review the image for acceptability. You understand and agree that receipt of an image does not occur until after we notify you of receipt of the image via onscreen messaging and/or email notification. You understand that, in the event you receive a notification from us confirming receipt of an image, such notification does not mean that the image contains no errors or that we are responsible for any information you transmit to us. We are not responsible for any image that we do not receive. Following receipt of the image, we may process the image by preparing a "substitute check" or clearing the item as an image. Notwithstanding anything to the contrary, we reserve the right, within our sole and absolute discretion, to accept or reject any item for remote deposit into your Account. You understand that any amount credited to your Account for items deposited using the Services is a provisional credit and you agree to indemnify us against any loss we suffer because of our acceptance of the remotely deposited check.

**In addition you agree that you will not (i) modify, change, alter, translate, create derivative works from, reverse engineer, disassemble or decompile the technology or Service, (ii) copy or reproduce all or any part of the technology or Service; or (iii) interfere, or attempt to interfere, with the technology or Service.**

#### Guarantee Specific to Deposits Received for Credit to a Business Account:

Your use of the Services for the purpose of depositing to a Business Account constitutes your understanding and agreement that you may be personally liable for any expenses Coast360 incurs in attempting to obtain final payment for the item in question, outside of the routine costs associated with item processing, in the event of a default by the Business. This includes but is not limited to recovery of the amount credited in the event of non-payment, collection costs and attorney's fees as applicable, as well as any and all costs associated with Coast360 enforcing this Guarantee. This Guarantee shall benefit Coast360 and its successors and assigns.

#### Compliance with Law

You agree to use the products and Service for lawful purposes and in compliance with all applicable laws, rules and regulations, as well as all laws pertaining to the conduct of your business if applicable. You warrant that you will only transmit acceptable items for deposit and have handled the original items in accordance with applicable laws, rules and regulations. You promise to indemnify and hold us harmless from any damages, liabilities, costs, expenses (including attorneys' fees) or other harm arising out of any violation thereof. This indemnity will survive termination of your Account and this Agreement.

#### Check Requirements

Any image of a check that you transmit to us must accurately and legibly provide all the information on the front and back of the check at the time presented to you by the drawer. Prior to capturing the original check, you will endorse the back of the original check. Your endorsement will also include "**For Coast eDeposit Only**".

The image of the check transmitted to us must accurately and legibly provide, among other things, the following information:

- (1) the information identifying the drawer and the paying bank that is preprinted on the check, including complete and accurate MICR information and the signature(s); and
- (2) other information placed on the check prior to the time an image of the check is captured, such as any required identification written on the front of the check and any endorsements applied to the back of the check.

The image quality for the check will meet the standards for image quality established by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

#### Rejection of Deposit

We are not liable for any service or late charges levied against you due to our rejection of any item. In all cases, you are responsible for any loss or overdraft plus any applicable fees to your Account due to an item being returned.

#### Items Returned Unpaid

A written notice will be sent to you of transactions we are unable to process because of returned items. With respect to any item that you transmit to us for remote deposit that we credit to your Account, in the event such item is dishonored, you authorize us to debit the amount of such item from the Account.

### **Email Address**

You agree to notify us immediately if you change your email address, as this is the email address where we will send you notification of receipt of remote deposit items.

### **Unavailability of Services**

You understand and agree that the Services may at times be temporarily unavailable due to our system maintenance or technical difficulties including those of the Internet service provider, cellular service provider and Internet software. In the event that the Services are unavailable, you acknowledge that you can deposit an original check at our branches or through our ATMs or by mailing the original check to us at Coast360 FCU, 450 Route 8, Maite, Guam 96910. It is your sole responsibility to verify that items deposited using the Services have been received and accepted for deposit by us. However, we will email notification of items that are rejected by the next business day following rejection.

### **Business Days and Hours**

Coast360 business days are Monday – Thursday, 9am to 4pm, Friday 10am to 6pm and Saturday 9am to 1pm. Holidays are not included.

### **Funds Availability**

You understand and agree that, for purposes of deposits made using the Services, the place of deposit is Maite, Guam. With regard to the availability of deposits made using the Services, such funds will be available as set forth below.

This policy statement applies to "transaction" accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your cash, check, and electronic direct deposits available to you on the same day we receive your deposit. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Sundays, and federal holidays.

If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at one of our night deposits, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM we will consider that the deposit was made on the next business day after the day of your deposit.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

### **Longer Delays May Apply**

**Case-by-case delays.** In some cases, depending on the type of check that you deposit, we will not make all of the funds that you deposit by check available to you on the same day we receive your deposit.

If we are not going to make all of the funds from your deposit available on the same day we receive your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available.

If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

**Safeguard exceptions.** In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the tenth business day after the day of your deposit.

### **Special Rules for New Accounts**

If you are a new member, the following special rules may apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the same day as the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may

have to use a special deposit slip). The excess over \$5,000 may be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits may generally be available on the tenth business day after the day of your deposit.

#### **Internal Controls and Audit**
