

# Harmon is Relocating!

To better serve you, our Harmon location is moving to a larger space at the Dededo Mall.

In preparation for the big move, Harmon will be closing its doors beginning Oct. 23, 2014. Log on to Coast Online or visit our Maite & Tamuning locations for your banking needs during this time.

Thank you for your patience during this transition period. We look forward to serving you at our new location—opening soon!

Together we thrive.
